

Equipment Rental Request

The camp will supply a limited amount of equipment to campers who for whatever reason are unable to borrow equipment from their own town programs or are not affiliated with an organized football team. We strongly encourage each camper to make every effort possible to bring his own equipment to camp. Our supply is typically reserved for campers who do not belong to a town organization, or will be playing football for the first time and don't have any means of getting equipment for the week of camp.

Please list the camper's height and weight so we can assure there will be an adequate supply of equipment for all sized campers and return with attached bottom portion to our camp office.

**** PLEASE NOTE:** All Campers renting equipment from our camp must supply their own girdle and athletic supporter. Girdle Pads (hip pads and tailbone pads) will be provided if needed.
